

Cologne Teaching, Information und Exam Service (KLIPS)

KLIPS...

- ... is **your system** for exam and course management,
- ... provides you with the current university **course catalogue**,
- ... assists you in compiling your **schedule**,
- ... supports you in **registering for courses**,
- ... enables you to **register and deregister** for your exams,
- ... makes your **academic performances** available online
- ... informs you of **cancelled courses**

... any time and anywhere!

KLIPS-Support...

... is your **contact point** for all technical questions related to KLIPS.

Here, you get **assistance** with using the KLIPS functions, such as registering for courses, the registration of academic performances or registering or deregistering for exams.

We answer **all of your questions** concerning registration phases, TAN lists and the technical and specific use of KLIPS.

... by phone, email and on-site!
